This meeting was held at the Griffin Center on Covington Catholic campus to discuss the following:

- 1) Mayor Matt Mattone and Infrastructure Committee chair, Skip Fangman welcomed the residents.
- 2) Bayer Becker presented an overview of street program and the proposed street improvements.
- 3) The timeline for the project:
 - a. Project will begin in March with the water main replacement.
 - b. The roadway reconstruction will follow the water main, with substantial completion by September 2015.
- 4) The city will have the tree board contact home owners where trees will be removed. The residents requested information regarding the size and height of the trees.
- 5) Residents were told to remove any landscaping they would like to keep along the roadway.
- 6) The residents will be informed of the start of construction by notice.
- 7) The residents reviewed plans for their individual properties after the group presentation.
