

4/18/2012 on Exter DR
INFRASTRUCTURE MEETING

PRESENT: Skip Fangman
Kathy Zembrodt
Dennis Finke
Rob Keller-Bayer/Becker
Paul J. Michels-Michels
Construction

Met on Exter Drive about when Sanitation and Contractor will be starting.

It was decided that around May 8th, weather permitting, that the work for the flooding would start and Exter would be prepped for work to start.

Estimated time for sanitation work on lower Exter is about 2 weeks and roadwork will take approx. until August 2012.

Dennis agreed to oversee work done on both.
