This meeting was held at the Bayer Becker Kentucky office, the following are notes from the meeting.

Capital Improvement Plan

1. The committee discussed the future of the City's street program.
2. The committee is committed to at a minimum North Arlington and Jackson Road
3. Mayor Mattone discussed with the committee having a street assessment done for the entire City from which the committee could develop their future plans for the street program.
4. The committee would like to have their Capital Improvement plan completed by the end of December

Sidewalk Maintenance

1. The committee reviewed proposals from Bayer Becker, PDS, & NKADD to evaluate city sidewalks.
2. Proposals are to be revised to include sidewalks, curbing, signage, lighting, and an assessment of City streets.

Audubon Storm Sewer

1. The storm sewer has been constructed. The work remaining is restoration and paving.
2. The committee will reach out to the tree board about replanting trees.

North Arlington

1. Bayer Becker has reached out to Duke energy about their gas main design and anticipates hearing back very soon.

Saint Joseph Lane Sidewalk

1. If the sidewalk construction conflicts with the existing water main, NKWD will consider replacing their water main.
2. The committee is waiting to see the results of their grant application to decide how to proceed with the project.
