CALL TO ORDER

PLEDGE OF ALLEGIANCE

ROLL CALL

I. Bid recommendation by the City Engineer to award the North Arlington Road project

The Infrastructure Committee met briefly before the meeting to review the bids. There was a unanimous recommendation to award the bid to Michels. Paul Michels and Sons is the low bidder of the six bids received at a price of \$649,361.50. Their bid is about 4% below the engineer's estimated bid of \$675,000.

Motion to award the bid to Michels was made by Mr. Claypole.

Mr. Oberjohn thanked everyone for attending tonight's meeting. He wants to make sure the delays that happened on the Aberdeen project do not happen on the North Arlington project. The Infrastructure Committee held meetings with Michels after the Aberdeen project to make sure they will stay on schedule. He added; they do a good job construction wise. He knows this upcoming project will directly affect Councilman Elkins. The committee will meet with Michels on the project site every other week.

Ms. Zembrodt was pleased the bid came in below the original estimate.

Mayor Mattone also wished to thank SD1 for accommodating Park Hills by coordinating their work with the city's project.

Mr. Zach Borchers, Bayer Becker, went over the timeline of the project.

Second by Mr. Reser. Roll call: all ayes

6:10 Motion to adjourn from Special Meeting
