WHEREAS, the Constitution of the Commonwealth of Kentucky, Sections 163 and 164, and Chapter 96 of the Kentucky Revised Statutes, authorize municipal corporations to require public utilities, including providers of telecommunications services within their boundaries, to operate under franchise agreements and to grant utilities the right to use public rights-of-way on such terms and conditions as are deemed reasonable and necessary; and further KRS 82.082 authorizes the City to exercise any and all powers within its boundaries that are not in conflict with the Kentucky Constitution or state statutes; and

WHEREAS, the City Council of the City of Park Hills, Kentucky, has found and determined that the construction, installation, operation, maintenance and utilization of a telecommunications franchise over, across or under public rights-of-way in the City of Park Hills, benefits said utility and the customers it serves, and the City Council has further found and determined that the construction, installation, removal, maintenance and/or repair of utility-owned facilities and other infrastructures does periodic and unavoidable disturbance that gradually results in the degradation of the City's streets and other public improvements within the public rights-of-way, for which the City is entitled to reasonable compensation in order to offset and recover the costs of reconstructing, removing, repairing or resurfacing damaged public rights-of-way; and,

WHEREAS, in order to protect the health, safety and welfare of the citizens of Park Hills, Kentucky, to protect and preserve the City's public rights-of-way and infrastructure and to provide for the orderly administration of the franchise contemplated herein, it is necessary and
