

CITY OF PARK HILLS, KENTUCKY

# Plant-A-Tree in your Lawn.....

The City of Park Hills will pay for and plant a Tree in your Lawn! Applications are reviewed and approved on a first come-first served basis. Get your application in now while funds last.

# PROGRAM SUMMARY

## Objective

To reforest the City of Park Hills, Kentucky

## Goals

Increase property values and the quality of life in our city

## Solution

1. Plant at least 25 trees annually in the city
2. The Tree Board will review and approve applications annually in June including the tree selected by the property owner from the Tree Boards approved list. All approved trees will be planted in the fall of each year once an adequate number of orders are received. The property owner agrees to sign a license agreement accepting ownership and maintenance responsibility for the tree.
3. Property owners are required to make a \$100 tax deductible contribution to the City of Park Hills to help expand the program. The \$100 tax deductible contribution is approximately 40% of the cost of the tree including planting.
4. Applications are reviewed on a first come-first serve basis while funds last.
5. The City of Park Hills through an approved nursery will properly plant the tree in the approved area of the yard identified by the property owner.
