

RESOLUTION NO. 8, 2020

A RESOLUTION OF THE CITY OF PARK HILLS, KENTUCKY, AUTHORIZING THE MAYOR TO COMMENCE AN APPLICATION FOR A TEXT AMENDMENT TO THE CITY ZONING CODE ESTABLISHING PERVIOUS GRASS PARKING PADS AS A PERMITTED PARKING SURFACE.

WHEREAS, “grass pavement” systems are now commonly available and becoming more widely utilized in the construction of parking surfaces; and

WHEREAS, “grass pavement” systems allow a supporting base to be installed in grass areas providing a foundation strong enough to support the weight of a vehicle, allows grass to be grown through the foundation, increases green space and reduces impervious asphalt and concrete surfaces, and provides effective control of water runoff; and

WHEREAS, the City Council desires to commence an application for review of a proposed text amendment to the zoning code of the City which will allow “grass pavement” systems to be utilized as a parking surface for vehicles; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Park Hills hereby authorizes its Mayor to file a request to Planning and Development Services for review and study of a proposed text amendment to the zoning code of the City allowing “grass pavement” systems to be used as a vehicle parking surface.

Adopted this 8th day of June, 2020.
