RE: The new Interlocal Agreement for the Kenton County Joint Code
Enforcement Board.

Dear Mayor and Council,

I am General Counsel for Planning & Development Services of Northern Kentucky (PDS) and in that role I have been advised that the city has questions about Section 5, Duration and Termination, of the new Interlocal Agreement for the Kenton County Joint Code Enforcement Board ("JCEB"). The purpose of this letter is to try to address those questions and provide information and explanations about the issue.

By way of background, the JCEB has been in place since 2006 and the current Interlocal Agreement has been in place since 2014. The amended version now being adopted by all of the participating jurisdictions (the county and various cities in Kenton County, including Park Hills) is revising the prior agreement primarily to amend the "funding formula", and a few other minor updates, like changing the name of NKAPC to PDS in the agreement. No changes have been made in Section 5 of this draft from the prior executed draft that has been in place for many years.

The first question asked was, should the city decide to terminate, who do they provide notice to? By virtue of the interlocal agreement, the Kenton County Joint Code Enforcement Board is, in and of itself, in an "administrative body" and a "public agency" as defined in the statutes, and notice of an intent to withdraw from the Agreement would be issued to the Board, attention to its Chair, in care of PDS, which is the "administrative official" to the Board, pursuant to Section 15 of the Interlocal Agreement.

The second question related to whether there is any penalty to withdraw from the board? The agreement contains a provisions that allow a participating jurisdiction to withdraw from the JCEB by choosing to terminate participation, if it decides that such is

in its best interests. The Agreement goes on to say in Section 5 that “In the event of such termination, the party shall be released from any and all obligations under this agreement.” Moreover, there is no other “penalty” provision in the agreement. In both Sections 5 and 16, the Agreement provides for the orderly addition and withdrawal of participating jurisdictions from time to time without disruption of the Board’s operation. Therefore I feel confident in reporting that the Agreement provides that there is no penalty to Park Hills if it chose to withdraw from the JCEB.

Historically, opting into participation in the Board, and removal from the board, has been simplified, due to the nature of its operation. Those options are even more facilitated by the new financial arrangement. The major advantage of the new funding formula is that each city can control its expenses by its own decisions regarding its level of participation.

By way of further clarification, let me add that the termination provisions of this Interlocal Agreement are different than others, like the recently-executed Interlocal Agreement between Park Hills and Fort Wright for EMS Services, which operates under a different statutory section (KRS 79.110-.180, particularly KRS 79.170), and has different termination provisions due to the nature of the life safety risk if an abrupt termination of EMS Services occurred. The Interlocal Agreement for the JCEB operates under KRS 65.8801-.8839 which contain no similar termination limitations or requirements as in KRS 79.170.

I hope this helps the city understand the terms of the agreement. I am happy to provide further information upon request. Please do not hesitate to call.

Very truly yours,

STRAUSS TROY

SECTION 9: ENFORCEMENT PROCEEDINGS

1. Enforcement proceedings before the Joint Board shall only be initiated by the issuance of a citation by a code enforcement officer.
2. When a code enforcement officer, based upon personal observation or investigation, has reasonable cause to believe that a person has committed a violation of a local government ordinance, the officer is authorized to issue a citation by:
 - a. Personal service to the alleged violator;
 - b. Leaving a copy of the citation with any person eighteen (18) years of age or older who is on the premises, if the alleged violator is not on the premises at the time the citation is issued; or
 - c. Posting a copy of the citation in a conspicuous place on the premises and mailing a copy of the citation by regular, first-class mail of the United States Postal Service to the owner of record of the property if no one is on the premises at the time the citation is issued.

When authorized by ordinance, a code enforcement officer may, in lieu of immediately issuing a citation, give notice that a violation shall be remedied within a specified period of time. If the person to whom the notice is given fails or refuses to remedy the violation within the time specified, the code enforcement officer is authorized to issue a citation.

3. The citation issued by the code enforcement officer shall be in a form prescribed by ~~NKAPC~~ PDS pursuant to its code administration services provided under the "One Stop Shop" Codes Administration Interlocal entered into separately between each jurisdiction and ~~NKAPC-PDS~~, and shall contain, in addition to any other information required by ordinance or rule of the board:

 - i. the procedure for the person to follow in order to pay the civil fine or contest the citation; and
 - j. a statement that if the person fails to pay the civil fine set forth in the citation or contest the citation, within the time allowed, the person shall be deemed to have waived the right to a hearing before the Joint Board to contest the citation and that the determination that the violation was committed shall be final.
4. After issuing a citation to the alleged violator the code enforcement officer shall notify the Joint Board by delivering the citation to the Joint Board chairperson.
 5. When a citation is issued, the person to whom the citation is issued shall respond to the citation within seven (7) days of issuance by either paying the civil fine or requesting, in writing, a hearing before the Joint Board to contest the citation. If the person fails to respond to the citation within seven (7) days, the person shall be deemed to have waived the right to a hearing and the determination that a violation was committed shall be considered final. In this event, the board shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation. If the alleged violator does not contest the citation within the time prescribed, the Joint Board shall enter a final order determining that the violation was committed and impose the civil fine set forth in the citation. A copy of the final order shall be served on the person guilty of the violation in any manner that conforms to the federal and state constitutional requirements for procedural due process.

SECTION 10: HEARING, NOTICE, AND FINAL ORDER

The following requirements shall govern all hearings, notices, and final orders of the Joint Board.

1. When a hearing has been requested, the Joint Board, through the ~~NKAPC~~ PDS, shall place the appeal on the Joint Board's next regularly scheduled monthly meeting agenda so long as it is more than seven (7) days from the date the appeal was received. The Joint Board may conduct the hearing or may assign a hearing officer to conduct a hearing. In addition, any board member, including the chairman, may be assigned to conduct the hearing on behalf of the Joint Board.
2. Not less than seven (7) days before the date of the hearing, the Joint Board, through the ~~NKAPC~~ PDS, shall notify the requester of the date, time, and place of the hearing. The notice may be given by certified mail, return receipt requested; by

personal delivery; or, by leaving the notice at the person's usual place of residence with any individual residing therein who is eighteen (18) years of age or older and who is informed of the contents of the notice.

3. Any person requesting a hearing before the Joint Board who fails to appear at the time and place set for the hearing shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be final. The Joint Board shall enter a final order determining the violation was committed and shall impose the civil fine set forth in the citation. A copy of the final order shall be served upon the person guilty of the violation in accordance with subsection (6) below.
4. All testimony shall be taken under oath and recorded. The Joint Board or assigned hearing officer shall take testimony from the code enforcement officer, the alleged violator, and any witnesses to the violation offered by the code enforcement officer or alleged violator. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.
5. If a hearing officer is assigned to conduct the hearing, the hearing officer shall make written findings of fact, conclusions of law, and a recommended order for consideration by the Joint Board. After the Joint Board conducts the hearing, or upon receipt of recommendations of a hearing officer assigned to conduct the hearing, the Joint Board shall, based upon the evidence, determine whether a violation was committed. If the Joint Board determines that no violation was committed, an order dismissing the citation shall be entered. If the Joint Board determines that a violation was committed, the Joint Board shall issue an order upholding the citation and either imposing a fine up to the maximum as authorized by ordinance, or requiring the offender to remedy a continuing violation within a specified time, or both.
6. Every final order of the Joint Board shall be reduced to writing, which shall include the findings of fact and conclusions of law and the date the order was issued. A copy of the order shall be furnished to the person named in the citation. If the person named in the citation is not present when the final order is issued, then the order shall be delivered to that person by certified mail, return receipt requested; by personal delivery; by leaving a copy of the order at the person's usual place of residence with any individual residing herein who is eighteen (18) years of age or older and who is informed of the contents of the order; or, by posting a copy of the order in a conspicuous place on the premises and mailing a copy of the order by regular, first class mail to the owner of record of the property, if no one is on the premises at the time the final order is delivered, or in any other manner that conforms to the federal and state constitutional requirements for procedural due process.

SECTION 11: PRESENTATION OF CASES

Each case before the Joint Board shall be presented by a code enforcement officer that issued the citation, or by a member of the administrative staff or an attorney-at-law for the jurisdiction in which the alleged violation occurred.

SECTION 12: APPEALS; FINAL JUDGMENT

An appeal from any final order of the Joint Board may be made to the Kenton County District Court within thirty (30) days of the date the order is issued. The appeal shall be initiated by the filing of a complaint and a copy of the Joint Board's order in the same manner as any civil action under the Kentucky Rules of Civil Procedure. The appeal shall be tried de novo. A judgment of the district court may be appealed to the Kenton Circuit Court in accordance with the Kentucky Rules of Civil Procedure.

If no appeal from a final order of the Joint Board is filed within the time period set out in this section above, the Joint Board's order shall be deemed for all purposes final.

SECTION 13: FINE SCHEDULE

For violations of ordinances that conform to KRS 85.8808 over which the Joint Board has jurisdiction, the Joint Board may impose the civil fines established in those ordinances.

SECTION 14: LIENS

The local government shall possess a lien on property owned by the person found by a final, non-appealable order of a code enforcement board, or by a final judgment of the court, to have committed a violation of a local government ordinance for all fines assessed for the violation and for all charges and fees incurred by the local government in connection with the enforcement of the ordinance. The lien shall be recorded in the office of the county clerk. The lien shall be notice to all persons from the time of its recording and shall bear interest until paid. The lien shall take precedence over all other subsequent liens, except state, county, school board, and city taxes, and may be enforced by judicial proceedings.

In addition to the remedy prescribed in subsection (1) of this section, the person found to have committed the violation shall be personally responsible for the amount of all fines assessed for the violation and for all charges and fees incurred by the local government in connection with the enforcement of the ordinance. The local government may bring a civil action against the person and shall have the same remedies as provided for the recovery of a debt.

SECTION 15: ADMINISTRATIVE OFFICIAL/ FINANCES

The ~~NKAPC~~ PDS shall perform as administrative official to the Joint Board to carry out the necessary administrative functions for the operation of this Agreement. The ~~NKAPC~~ PDS shall

provide for an attorney to be counsel for the Joint Board and the parties' respective attorneys may present cases during its hearings.

~~The NKAPC shall administer the finances of the Joint Board. The reasonable expenses of the Joint Board and its members, administrative official, and legal counsel shall be paid from fees collected for required permits, inspections, and certificates issued on behalf of the parties by NKAPC through its "One Stop Shop" codes administration program and from civil fines paid as a result of enforcement actions brought by code enforcement officers and, as applicable, levied by the Joint Board.~~

The cost of this service will be borne by the City. PDS will bill each City monthly for all [one hundred (100) percent] of PDS' costs to provide these services as determined by the actual time spent by PDS employees, billed pursuant to a schedule of fees based on a set hourly rate per PDS department. The schedule of fees shall be annually reviewed, set, and approved by the PDS Management Board. The schedule of fees shall be based on PDS overall personnel costs including related employee benefits per department, as well as the department's allocated share of general administrative or overhead expenses. The fee schedule shall be regularly published on the PDS website. Postage, mileage, and other out-of-pocket charges (i.e., lien recording fees) specifically related to the City's project(s) will also be billed monthly and paid by the City.

~~Foreclosure on any liens stemming from final orders issued by the Joint Board shall be handled by legal counsel as designated by the jurisdiction in which the violation(s) occurred, at the cost of that jurisdiction. All net proceeds from the foreclosure of Joint Board liens shall be split evenly between the party in whose jurisdiction the violation(s) occurred and NKAPC, after deducting any administrative costs incurred by the zoning administrator and Joint Board. Legal counsel bringing the foreclosure action on a code enforcement board lien shall be entitled to recover reasonable attorney's fee as determined upon application and approval of the Court, and any related costs and fees. All civil fines paid as a result of enforcement actions brought by code enforcement officers and net proceeds from the foreclosure of Joint Board liens are to be collected and retained by the jurisdiction in which the violation(s) occurred. Legal counsel bringing the foreclosure action on a code enforcement board lien shall be entitled to recover reasonable attorney's fee and any related costs from the violators as determined upon application and approval of the Court.~~

SECTION 16: ADDITIONAL PARTIES

The parties recognize that other cities within Kenton County may wish to join the Joint Board. Any city wishing to join shall sign this Agreement and be made a party thereto immediately upon signature and approval of its legislative body. No action shall be required on the part of any existing party to this Agreement for the allowance of a new party joining pursuant to this section.

SECTION 17: INITIATION OF COMPLAINTS

Each participating jurisdiction may establish its own policy for how a code enforcement officer initiates and responds to complaints for code violations occurring within its boundaries. While

a code enforcement officer may have the authority to issue citations in multiple jurisdictions, he or she must follow the policy set forth by the jurisdiction in which the violation occurs. In the absence of an expressed policy, code enforcement officers may operate under the policy set by ~~NKAPC~~ PDS for code violations.

SECTION 18: CONTROLLING LAW

This Agreement shall be subject to, interpreted, and enforced according to the laws of the Commonwealth of Kentucky.

SECTION 19: REVIEW AND APPROVAL PURSUANT TO KRS 65.260(2)
