We are a new non-profit focusing on assisting seniors (62+) in Northern Kentucky with emergency needs, medical equipment and education on community resources and aging services.

## Some things we can help with:

### Emergency Needs

- Emergency food/ personal care assistance with information about long term assistance like food pantries, SNAP, etc.
- Emergency utility assistance may be available in some critical cases.

### Medical/Mobility Equipment

- Grab bars , Rollator's, Cane/Walkers, Shower Chairs, Mobility Devices, as well as resources for what we cannot provide.

### Education & Referrals

- Information about local support programs for seniors, aging services and community resources, home safety and other requested programs.

### To Refer Someone::

- Call, email or stop in! We will need the client's contact information and needs that you know of- we will reach out to speak with them.
- Pass along our number and address. We can help over the phone or in person at our Latonia Office.
