The Committee discussed the following matters:

1. Review of Audit and Audit Graphs – it was noted that the ARPA funds will be applied to payroll and fully used by 2024. It was also noted that the Road Bonds will be paid in full a year early.
2. Vehicle Sticker Fee elimination was discussed. The fee is difficult to enforce, not paid by many, has administrative costs in time and stickers. The committee voted to eliminate the tax in the 2023/2024 budget year.
3. The opportunity for property purchase for use by the city (police initially) was discussed at length. The committee voted unanimously to approve pursuing the opportunity.

Meeting adjourned at 7:50pm. Meeting was also recorded.
