#### Agenda Discussion

**1. Preparation of Trolley Park for Memorial Day Parade**

Tasks: Acquire and plant annuals at flag pole, north end of blvd, Trolley Park sign, other public spaces

Mulch as needed

Refresh playground mulch with approved mulch grade

Reseat caps on playground surround wall with appropriate fixative

Reseat and clean under table by Kentucky Coffee tree

**2. Audubon Preserve**

Bridge safely the creek to complete the walking path – possibly using stepping stone

Improve primary access

Continue invasives remediation

Trail maintenance – refresh with mulch – possibly reach out for service hours assistance

Mark off wildflower/ephemeral zone and identify

Continue reforestation efforts with native species possibly with saplings which save money and are easier to plant

**3. Community Garden**

Top off beds with new soil

Consider extension of community garden to rear of 1500 Dixie property – this requires discussion with mayor and council – area may accommodate 20 plots

**4. Hamilton Hill**

Boy Scout pollinator garden project

Refresh wildflower plantings

Fertilize and mulch cherry trees as soil quality remains in need of remediation

Limestone screenings for base of view bench to stop muddiness
